## Successful dress rehearsal for Raemon Sluiter - Runner Up in s"Hertogenbosch

Raemon Sluiter could celebrate a successful week on grass at his "home event" in s"Hertogenbosch. The 31-year-old Netherlander lost a close Final against the German Benjamin Becker 5:7 and 3:6.

Raemon won his first two rounds easily until he lost his first set in quarterfinals against Dudi Sela. In the end, he could beat Sela 6:4 4:6 6:4.

In his Semi-match against Navarro, he lost the first Set 6:7 but came back and won the second and the third set 6:2 and 6:3.

His run ended in the final where he lost against the about 800 positions better placed German Benjamin Becker. Never the less, it was a fantastic week for Raemon. Not only because of the 37.700 USD price money but of the 150 Points he won for the ATP World Tour. He moved from Position 866 to #329!

Raemon Sluiter is a long time PACIFIC X-Team Member and he is proud of his PACIFIC Poly Gut string and his PACIFIC X-Tack PRO overgrip.
